

FRIDAY FUN

FAITH:

Today the Church celebrates the feast of St. Paul VI; patron saint of the Archdiocese of Milan and the Second Vatican Council.

St. Paul VI, born Giovanni Montini, was pope from 1963 to 1978. While Archbishop of Milan, he was a close companion of Pope John XXIII and participated in the Second Vatican Council. After the death of the pope, he was elected by the College of Cardinals and took the name Paul. He continued reforming the Church through the Second Vatican Council, and shaped the church as we know it today. In addition to these reforms, Paul VI is remembered for his ecumenicalism, Mariology, and commitment to Church teaching in uncertain times. "We must see to it that enthusiasm for the future does not give rise to contempt for the past."

UNITY:

Since my last note, the Albany council hosted its 25th (or maybe 26th) annual seminarian dinner; demonstrating in a firm way our unity as Knights with our clergy. Great fellowship and support for these men who have answered God's call.

Thank you to several members of our growing Fourth Degree Honor Guard here in Georgia for their unity of belief in the true presence by participating in the One Nation Under God Eucharistic procession starting in St. Mary's and progressing up the coast through Brunswick, Darien, Savannah, and into South Carolina. Our own Sir Knight Pat McMahon, Savannah District Marshal, participated from the very beginning of the procession in St. Augustine, Florida. We must all be united in these final days of our fraternal year to dot the i's and cross the t's and wrap up a great year strong to the end.
